

The PA Liquor Control Board is seeking a Chief Information Officer. What are we looking for in a CIO?

We're looking for a leader who understands that technology needs to be an intuitive adaptation to the workplace, where technology and workers blend together seamlessly. We are seeking a technological visionary who can take a cutting edge ERP, enhance it with the right peripherals, and deliver high end integrated service down to the point-of-sale level. We are seeking a leader who can fully utilize an ERP system by gaining efficiencies and improving service. We seek that far-sighted leader who can develop a staff to be both technologically well-trained and likewise empowered and encouraged to invest their creative energies into their jobs.

Requirements: Six years of professional experience in managing all phases of information technology projects, and a bachelor's degree; or six years of professional experience managing information technology functions for an organization, and a bachelor's degree; or an equivalent combination of experience and training.

Salary: From \$87,257 to \$132,656 depending on qualifications and experience.

Application instructions: Interested candidates should submit a letter of interest, resume and [Personal Data Sheet](#) to ra-lbpersonnel@pa.gov no later than December 18, 2014. For additional information, contact Brenda Coakley at 717.783.0104.
