## **Pennsylvania Liquor Control Board Celebrates the Grand Opening of a New Fine Wine & Good Spirits Store in Ebensburg**

**Ebensburg** – The Pennsylvania Liquor Control Board (PLCB) today welcomed local officials and the public to the grand opening of the brand new Fine Wine & Good Spirits Store at 300 Walmart Dr., Suite 130 in Ebensburg, Cambria County.

PLCB Member Mike Negra and Executive Director John Metzger helped cut the ribbon for the new store, which replaces two smaller, older stores in Ebensburg. The new store will be almost as large as both prior locations combined and will feature more than 2,000 wines and spirits, including the popular Chairman’s Advantage wines, which are hand-selected highly rated wines for less than \$10 a bottle.

This new retail outlet offers a warm, welcoming atmosphere for consumers to browse the extensive selection. The focal point of the new store is a center table, where customers can always find staff to answer questions or provide recommendations. The center table provides counters for highlighting promotional items and educational materials for customers such as:

- Answers to frequently asked questions about wine and spirits
- A vintage chart
- A food pairing outline
- A party planning guide
- A calorie chart
- Tips for responsible hosting and consumption

Additionally, the new store has a “Made in Pennsylvania” section to highlight wine and spirits produced in the commonwealth.

Throughout the design and construction, the PLCB was committed to developing a store that is attractive and environmentally responsible. The majority of the lighting is state-of-the-art LED or energy-efficient compact-fluorescent lighting, using a fraction of the energy of traditional lighting.

The new Fine Wine & Good Spirits Store will be open from 9:00 AM to 9:00 PM Monday through Saturday and from noon to 5:00 PM Sunday. The new location replaces the Fine Wine & Good Spirits stores at College Plaza, 881 Hills Plaza Dr., and 607 W. High St., which are now closed. The PLCB regulates the distribution of beverage alcohol in Pennsylvania, operates more than 600 wine and spirits stores statewide and licenses more than 20,000 beverage alcohol producers and retailers. The PLCB also works to reduce and prevent dangerous and underage drinking through partnerships with schools, community groups and licensees. Taxes and store profits – totaling more than \$14.5 billion since the agency’s inception – are returned to

Pennsylvania's General Fund, and the PLCB also provides financial support for the Pennsylvania State Police Bureau of Liquor Control Enforcement, the Department of Drug and Alcohol Programs, other state agencies and local municipalities across the state.
